To Community Supporter,

Cancer touches nearly every life—either directly or through a relative or friend. Although the diagnosis may be scary, advances in treatment allow us to celebrate that more survivors are winning this battle.

Many survivors struggle to return to a normal life or define their “new normal.” To help them, the YMCA of Central Texas offers **LIVESTRONG®** at the YMCA, a program designed to help cancer survivors regain strength, balance and stamina.

At the Y, we believe cost should not be a barrier to survivors reclaiming their fitness levels and receiving needed support. Therefore, every survivor participates free of charge. In addition, their family members receive a free three-month membership to the Y while their loved ones are enrolled in **LIVESTRONG** at the YMCA.

Each 12-week session can accommodate 14 survivors. Since 2014, we have been able to offer 3 programs per year, but the need is great and we need to offer more. Our goal is for the Waco community to view the importance of the Y in the same way as this cancer survivor: “I went to the cancer center for treatment, but I came to **LIVESTRONG** at the YMCA to heal.” To help achieve that goal, we are holding our Sixth annual **LIVESTRONG** at the YMCA Race on Oct. 7, 2017 at Woodway Park. Almost 200 runners participated last year.

All proceeds fund **LIVESTRONG** at the YMCA so that we can continue serving cancer survivors in our community. We might be serving one of your patients, friends, family members or coworkers — maybe even you. By serving as a sponsor of the Race you will not only take a stand against cancer but also be recognized as a partner that supports survivors living strong! Please see the included list of sponsorship categories so that you may decide how you feel led to give. To ensure you or your company’s inclusion on all marketing materials, please respond by July 28, 2017.

Thank you for your consideration.
