Setup and take down is the responsibility of the renting party. Setup and take down time is included in the rental time.

A room will be available for the entire rental period. Pools will be open to other members and guests during normal business hours.

Reservations must be booked at least two weeks in advance, in person with a Welcome Center staff member. A **completed** rental agreement form and payment in full is due at the time of reservation.

For gym rentals, reservations must be made one month in advance, along with a **completed** rental agreement form and payment.

Rental reservations are **NOT** secured unless payment in full has been made.

In the event of a cancellation ½ of the payment will be refunded.

Tables and chairs will be provided; however, the party renting the room will be responsible for setting them up to their liking. We cannot guarantee the number of tables and chairs available.
